#### GRETNA GREEN'S SURPRISE

OVERCOMES BROOKDALE NYMPH IN
THE PIERREPONT HANDICAP.

Jamaica's Opening Day Disastrous to Favorites—Royal Lady Wins Again— Jacobite Badly Beaten.

New York, October 21.—At the Jamaica course today, in the presence of 5,000 spectators, composed mostly of regulars, Gretna Green, from the Keene stable, ridden by Walter Miller and declaring four pounds overweight, turned an astounding flipflap by winning the Pierrepont Handicap at a mile and an eighth from a couple of high-class horses, Brookdale Nymph and Bedouin, and four others in 1:53%. The winner was one of the extreme outsiders in the betting at 12 to 1 and was able to survive early interference to beat the heavily backed Whitney representative.

Aside from the stake feature, the card was moderate in quality and, excepting the first and fifth laces, which were won by the short-priced favorites, James B. Brady and Royal Lady, outsiders monopolized the racing honors. Smiling Tom, Jacobite and Rialto, first and public choices respectively in the second, third and sixth races, ran poorly. Davy Johnson, so rumor has it, was \$19,000 loser up to the Royal Lady race and the bulk of the money wagered in the ring on Angarola's filly came from him. He is credited with winning \$30,000 on the victory of Royal Lady.

James B. Brady was at short odds for the first race of the day and fully worthy of the preference. He went out into the lead at once and, never relinquishing it, won eased up. St. Hario came along fast in the stretch and outfinished Tartar Mald for second money.

The second race, a selling dash of a mile and a sixteenth, resulted in a surprise. Smiling Tom was made the favorite, with Samuel H. Harris second choice, but neither had anything to do with the finish, Poquessing winning in a close fit with the Canadian veteran, Merry England, with Marster a close up third. Poquessing had been running well of late and was really at a false price in the odds.

The six furlongs sprint that was the third race on the card, resulted in another disaster for backers of favorites. Jacobite was served up warm and went to the post at odds-on. He led at a fast pace until well into the homestretch, then gave way and when it came to a finish, the long shot, Quadrille, was first, with Sewell a rapid going second and Zienap a close third. Chantilly ran an excellent race here and may do well on this track. Although beaten, Jacobite was close up.

The Pierrepont Handicap at a mile and an eighth was the leading race of the day, and had seven starters, with Brookdale Nymph a decided favorite. Bedouin and Temaceo were next in betting estima The favorite wrested the lead from Temaceo in the first quarter and set the lead to midway of the stretch, where Miller brought Gretna Green up with a rush and, after a struggle, the Keene colt out and won by a clear interval. Bedouin ran capital race and finished lapped on Brookdale Nymph, as also did Faust. The latter was knocked back on the far turn and came so fast in the stretch that Bedouin only beat him a head for third place. Welbourne and Temaceo ran below their true form. Gretna Green had been ridden by light and inexperienced boys recently, and the to Miller worked wonders

The tabulated history of the Pierreport Handicap is as follows:

Royal Lady made an example of her opponents in the fifth race, a dash of a mile and a sixteenth for three-year-old fillies. She ran under restraint to the stretch, then passing the leaders in a jiffy, won off by herself, being pulled up. Pins and Needles beat Killiecrankie as decisively for second money and the finish was quite straggling. Eudora and Workmaid carried on the running to the stretch, but fell away in the final action.

Berry Maid has been running well of late and at long odds scored in the last race of the day. Aimee C. was the favorite, but was off poorly and unlucky in the running and finally brought up in third place lapped on King Cobalt. Rialto was a good second choice, but never prominent, although away well and having Miller on his back.

Many improvements have been made during the summer months for the comfort of patrons at the Jamaica course. Both the clubhouse and grandstand and field stand inclosures have been enlarged and inclosures.

Sol Lichtenstein failed to put in an appearance in the betting ring today for the first time this season. The weather was cold but clear, and the track fast.

### PLAY TIME FOR WALTER MILLER.

New York, October 21.—Jockey Walter Miller will get a well-earned vacation of a month at the ranch of Thomas H. Williams in northern California, as soon as he finishes the metropolitan season. Mr. Williams, with many others, is of the opinion that his champion rider is track weary, and will see that he gets a chance to have a good time hunting, sleigh riding and roughing it on the ranch before reporting to "Doc" Rowell at Oakland.

THREE OF THE BUSY VETERANS. BIG WINNINGS IN ENGLISH RACING.

King Crab Raced for Nine Seasons, With 310 Starts—Fonsoluca a Sturdy Horse.

Of the tribe of hardy horses able to race on season after season, King Crab, luca and Corrigan have all made records worthy of comment. King Crab disappeared long since, but Corrigan and Fonsoluca have raced this year and won more than enough to pay their expenses. King Crab was a stake winner and possibly best of the three. He was bred by the elder August Beimont, and was quite a race horse and a grandson of Lexington, being by Lexington's son, Kingtisher-Over some of his winning races "Pitts burg Phil' made tremendous betting coups, or was reported to have done so. He began racing when a two-year-old, and raced for nine years without failing to win races in any one of those years. and was really as much entitled to be dubbed an as Logan or Blitzen. The record and "iron horse results of his long and industrious career is as

Joe Pugh's old campaigner, Fonsoluca, never acquired fame as a winner of stakes, although he did capture the Cincinnati Hotel Spring Handicap and the Tobacco Stakes at Laconia in 1903, and the Tecumseh Handicap at Harlem in 1904. But as a selling plater Fonsoluca has been a familiar and popular racer since 1901, and at Latonia, Louisvillo, New Orleans and here in Chicago before racing was abolished, has taken his full share of races in a decidedly strenuous career. His best holt, to use a Hoosier phrase, has been as a mud runner, and when fit it has always required a pretty good race horse to dispose of him in deep going. That a good selling plater can win an aggregate of money in purses to be regarded with respect by any one, the following tabulated account of his career will

Corrigan is a son of Barney Schreiber's favorite stallion, Sain, and one of the best of that success ful sire's early progeny. Corrigan won the Western Foal Stakes, Great Trial Stakes and Colts' Second Trial Stakes at Tanforan when a two-year-old, and the Autumn Stakes at Hawthorne and Opening Handicap at Oakland when a three-year-old, and was an excellent young racer, defeating many proved good horses. When a four-year-old he won the good horses. New Year Handicap from Siddons, Lord Badge, Claude, El Rio Shannon, Articulate and The Fretter at Oakland, but, failing lame, was retired and did not start in the following year, and but twice in 1905. Becoming the property of H. E. Rowell, very skillful man in restoring cripples to usefulness, he returned to the track in 1906 a race horse and among his races won the Waterhouse Cup, running two and a quarter miles in 3:59, with 113 pounds up. He also won the Opening Handicap at Oakland, it being his second triumph of that event. This year his winnings were all in purse races, and the record of his achievements to date is:

### PRESIDENT TOM WILLIAMS IN TOWN.

Mr. Thomas H. Williams, president of the California Jockey Club, arrived in Chicago yesterday on his way to San Francisco. He will resume his journey today, and is quite enthusiastic over racing prospects of the coming meeting at Oakland.

"We shall have more horses than we have room for now and will have to hustle to provide stable room for them," said he last night. "More than that, we shall have more high-class horses than we have ever had before. I look forward to the best racing California has ever known.

### LIGHTWEIGHT JOCKEY M'CLAIN DEAD.

Jockey McClain, who rode thirty-eight winners out of 205 mounts during the Seattle meeting and was the leading rider at the Spokane meeting, died at Lewiston, Idaho, last Tuesday of concussion of the brain, the result of a fall with his mount in a race there the day before.

Owners and Horses Led by W. Hall Walker and Lally.

In England, as in this country, the racing season 1907 is in the declining stage, with one point of difference. There does not remain to be run i this country a race that will net the winner \$5,000, while in England a number are yet to be run of greater value than that sum. Still, the season there has reached that stage where tables of statistics are in order and the big winners of the year are pretty well defined as they are here. ers, Mr. W. Hall Walker stands out by himself. latest advices his horses had won for him \$88,502.50. This compares poorly with the enormous total of Mr. Keene's winnings, but is sufficient to indicate that he may have stable earnings of over \$100,000 when the season closes. Five other owners have stable winnings of more than \$50,000. In this country eleven owners have winnings of over \$50,000. Up to the most recent advices the twenty leading owners in England made the following showing:

Lord Rosebery, with \$20,882.50 and W. Clark, with \$20,200, are the only other owners with stable winnings of as much as \$20,000.

As a three-year-old Lally was distinctly a disappointment, but he has made amends in his four-year-old form and heads England's winning horses with \$57,775 to his credit. Four American horses have won more than this. The St. Leger winner, Wool Winder, is second to Lally with total winnings of \$52,085, only the two having won as much as \$50,000. The twenty principal winning horses are the following:

Horse, Age and Pedigree.	Won.
Lally, 4, by Amphion-Miss Hoyden	\$57,775

In the foregoing list there are two five-year-olds, one seven-year-old, five four-year-olds, seven three-year-olds and five two-year-olds. The twenty American leaders are made up of two five-year-olds, one four-year-old, eleven three-year-olds and six two-year-olds, the comparison seeming to show that horses older than three years old are given a better chance to earn money in rich stakes than in this country. However, it is not to be overlooked that our three-year-olds of 1907 are of extraordinary merit.

Among the English stallions Gallinule is the premier, owing his supremacy to Slieve Gallion and The White Knight. Lally and Acclaim have given the dead sire, Amphion, second place. The sires with progent having won \$30,000, rank as follows:

### NEALON IN ACTIVE DEMAND.

William H. Dubois, of the Patchogue Stable, has received several tempting offers for Nealon since the winner of the Suburban won the Belmont Park Weight for Age Race so impressively. Major Edward Cassatt, son of the late A. J. Cassatt, and R. F. Carman have both made attempts to buy him. Mr. James R. Keene carefully inspected Nealon after the race and it is said betrayed a desire to have him at Castleton Stud.

### FAVORITES LOSE AT LATONIA

HARTING THE ONLY ONE TO MAKE
GOOD FOR BOOKMAKERS.

Accident in the Last Race Mars the Sport—
Racing of Ordinary Quality—C. Koerner
the Star of the Jockeys.

Cincinnati, O., October 21.—Scratches reduced what otherwise would have been large fields in some of the races. Five choices were downed. The only pronounced favorite to win was McChord in the fourth. His victory was attended by a run-up. Owners McCullough, Hughes and Carroll took turns in bidding him up \$700 over an entered price of \$400. He was bid in.

Harting, again showing his true form, took the mile handicap after leading all the way, Prince Ahmed and The Clansman being second and third almost throughout. An accident that for a time threatened to be attended with serious results came in the closing race, when Stroud, ridden by T. Taylor, broke down while running in a forward position. Bitter Brown, on which V. Powers had the mount, was unable to avoid the wabbling horse, ran into and threw him and went down himself from the impact. Taylor was picked up unconscious and apparently lifeless, but after a long delay came to and beyond a shaking up he was none the worse for his tumble. Powers was not injured. Stroud, it is feared, sustained a fractured leg, and will probably be destroyed. Belle Scott, winner of the race, was bid up \$300 over her entered price of \$760 by W. Walker and bid in.

\$700 by W. Walker and bid in.

W. H. Fizer and his connections attempted a betting coup in the first race. The medium today was the maiden youngster, E. T. Shipp. He was backed from 6 to 1 to 12 to 5 at post time and in some cases the bookmakers refused to take any more money about his chances. Running greenly, he was subjected to much interference throughout, and ran far below the showing he was expected to make.

Joe Moser's defeat by Albert Star was unexpected. The former was at odds-on, showed a high order of speed for a half, but tired almost to a walk in the stretch.

R. C. Brien said today that he had disposed of all interests in horses, including Kercheval, and in future would devote his time to business in which he is engaged in Nashville with his sons. G. J. Long, who was among the spectators, said

that he had sold recently to F. R. Hitchcock the filly Algelone, which will be put to jumping and shipped to England. Algelone is one of the biggest racers in training.

L. A. Cella's horses are due here from the east

tomorrow. Henry McDaniel has severed his connections with the stable and in future E. Stubbs will have charge of the horses. Parkyiew and Una, recently purchased by W. O.

Joplin for A. F. Mathews, arrived from New York.
J. W. Hall will ship Lexoline, Goldproof and six others next week to New Orleans.

C. T. Patterson will ship this week to New Orleans Carew, Telegrapher, Tackle and a twoyear-old.

John Marklein will send ten horses at the close of this meeting to New Orleans.

There were many arrivals today from Windsor. Several carloads of horses are due to arrive from there tonight.

### ARCADIA TO HAVE CLEAR FIELD.

The reports which have been energetically and persistently circulated for the last ninety days to the effect that "Curley" Brown and others, the backing of John W. Gates, Harry Payne Whitney, Timothy D. Sullivan and other prominent New Yorkers, would build a race track at Venice, Cal., seem to have died from the effects of denial and neglect. There probably was some good foundation for the story as far as Brown and his California associates were concerned, but when it was authoratatively stated that the project could not have the sanction of the Pacific Jockey Club and, if pleted, must necessarily be conducted as an outlaw meeting, turfmen refused to give credence any of the later announcements. That there will be no race course built at Venice for some time come is now admitted on all sides, says a Los Angeles dispatch.

### TO PROVIDE PAID STEWARDS BY LAW.

Criticism of the Jockey Club for rigidly adhering to its "no scandal" policy and refusing to publicly investigate some of the alleged form reversals and bad rides of late has created a demand in certain quarters for professional paid stewards. A bill was introduced at the last session of the legislature providing for the appointment of paid stewards by the State Racing Commission to serve on all the New York tracks and that the commission exercise a general supervision over the sport aside from its merely perfunctory duty of granting licenses, but the measure was never reported out of committee.

It is said, however, that a similar measure will be introduced at Albany during the next meeting of the legislature and a strong effort made to have it passed.

### NOTES OF THE TURF.

Paul J. Rainey will ship two or three horses to Oakland for the winter season, and Horace E. may go with them.

Jockey Radtke will ride at Oakland this winter and is also going to bring out a younger brother as a pigskin artist.

Dr. Keough, the veterinary surgeon who is treating the injury sustained by Boserrian in the second race at Latonia Saturday, says it may end the racing of Dunne's Cesarion gelding.

C. C. McCafferty has finally secured permanent quarters for his horses at Oakland by renting a big barn outside the track. He has also found comfortable dwelling house for his family.

Centre Shot, the filly which was so badly injured by losing its rider and then jumping the fence at Latonia, is making a speedy recovery. Red Walker says that she only refused food once since she was hurt.

The split boof Salvidere brought out of the Autumn Weight for Age Race is such a bad one that horsemen who have seen it predict that the great Hitchcock three-year-old may never race again.

Winner—B. g., by Rapalo—Court Dance (trained by R. E. Watkins).

Went to post at 3:00. At post 2 minutes. Start good. Won driving; second and third the same. Guadrille broke well, moved up rapidly into the lead and won going away. Sewell broke well and was a forward contender throughout. Zienap, crowded back repeatedly in the first quarter, closed an immense gap in the last half. Chantilly, away badly, made up a lot of ground in a remarkable race. Jacobite forced the pace for five furlougs and then quit badly. Sadler ran prominently all the way and is very promising. Firebrand failed to stay after showing speed to the last turn.

the stretch to win with plenty in reserve. Stoneman showed speed in wearing down the early leaders after going a quarter, but tired slightly in the stretch run. Lady Martha was again in a tangle, had to go wide into the stretch and finished fast and gamely. Paul Ruinart ran a good race and will improve. Bender was close up for most of the trip. E. T. Shipp, running green, was in a jam most of the way and shuffled back to last place after going a quarter, has worked fast and is evidently a good colt. Winner—B. g, by Hermence—Susan Jane (trained by T. Kiley).

Went to post at 2:58. At post I minute. Start good. Won easily; second driving; third the same. Harting, lucky all the way and running to his best form, took the lead quickly and, setting a fast pace in the early stages, shook off Prince Ahmed in the stretch and came away to an easy victory. Prince Ahmed ran forwardly from the start and, although tiring slightly in the stretch, held on well and was best of the others. The Clansman ran a good race and was right there all the way. Light Wool was in close quarters for the first three-quarters, but tired in the stretch run. Polly Prim was almost thrown on the first turn, but ran below her best form. Redgauntlet was outpaced throughout.

Overweights—Polly Prim, 1 pound; Light Wool, 3½; The Clansman, 5; Prince Ahmed, 3½.

McChord, hard ridden all the way, had to do his best to wear Bensonhurst down, but finished gamely and came away in the last few strides. Merrick, in close quarters in the last furlong, had to go around and, finishing fast, would probably have won with clear sailing. Bensonhurst, away fast and running to his best form, showed much the most speed nearly all the way and saved ground on all turns, but thred in the last seventy yards. Viperine ran a good race and came from a long way back in the stretch. Tobogan began slowly and ran poorly. Bonebrake ran fairly well. The winner, entered for \$400, was bid up to \$1.100 by W. Went to post at 3:56. At post 2 minutes. Start good. Won easily; second driving; third the same. Albert Star, away fast, was shuffled back soon after the start, but saved ground when turning into the stretch and, finishing with a rush, wore Joe Moser down in the last sixteenth and won going away. Joe Moser showed a high flight of early speed, but tired badly after going five furlongs and is evidently a non-stayer. Tirhood came from a long way back in the stretch and ran a good race. Czar tired near the end after early prominence. Speed Marvel saved much ground when coming into the stretch and was tight there at the end. Manchester was "qualifying" and Butler eased him up when turning into the stretch.

### DECISION FAVORS KENTUCKY BETTING

Below is given the full decision rendered March 29, 1899, in the case of the Latonia Agricultural and Stock Association against Donnelly, tax collector, etc., and went up on appeal from the Circuit Court of Kenton County. The Latonia Association sought to enjoin the collection of taxes upon its assessments for the year 1897, pursuant to Section 4077 of the Kentucky statutes, which provides for the payment of franchise taxes by corporations and ciations having or exercising any special or ex cursion privilege or franchise not allowed by law to natural persons:

"Appellant exists by virtue of a special charter granted by the legislature, which confers upon it in addition to the usual and ordinary granted to private corporations, the right of per petual existence and authority to acquire not exceed ing 200 acres of land, and by the fourth section of its charter it is provided that 'the association may lay out upon its grounds a track or tracks course or courses for running or trotting races, and conduct such races and award such stakes premiums or purses as it may determine, and it may sell or permit to be sold on its grounds pools on any and all races that may be run or trotted upon its course or grounds."

"Appellant is not among the enumerated corpora tions liable to a franchise tax, nor can it be said to be a like company, corporation or association to my of those therein designated; and it is liable the payment of the tax in question, if at all, by virtue of the fact that it has or exercises a spe or exclusive privilege or franchise not allowed by to natural persons

"The chief power and business granted to the appellant by the terms of its charter is the right to conduct a race course and sell pools on all races that may be run or trotted upon its course. right to sell pools or permit them to be sold is an important and valuable adjunct to the busine which plaintiff is authorized to conduct, and it is ss a source of considerable profit to it, and without this privilege in all probability it would unable to profitably conduct the enterprise in which it is engaged.

"The first question to be determined is whether this is a special and exclusive privilege or fran-

state there are statutes making it an offense, either general or under special circumstances. contract, conveyance, transfer or assurance for the consideration, in whole or in part, of money, property or other thing won, lost or bet in any game, sport, pastime, wager, or for the consideration of money, property, or other thing lent or advanced franchise assessed by the Board of Valuation and for the purpose of gaming, or lent or advanced at the time of any betting, gaming, or wagering to a person then actually engaged in betting, gaming or wagering, shall be void.'-Kentucky Statutes, Sec.

"And Section 1956 provides for the recovery of the money paid by the loser from the winner thereof, or any transferee of the winner having notice of the consideration, by suit within five years after the payment, transfer or delivery. By Section 1960 the setting up of any machine or contrivance used in betting, whereby money or other thing is won or lost, is made a felony; but by Section 1961 it is provided that the provisions of section 1960 shall not apply to persons who sell combination or French pools on any regular race track during the races thereon.

"We are of the opinion that this provision of appellant's charter legalizes the sale of pools made by it, or under its authority, on its grounds, protects it against the civil liability denounced by the statute against natural persons who are engaged in the same or similar occupations; and it, therefore, becomes, and is valuable, special and exclusive privilege within the meaning of the statute, and renders appellant liable for the payment of the franchise tax provided by the statute.

"In view of the conclusion which we have reached on this point, it will be unnecessary to consider other suggestions made by counsel for appellees as to appellant's liability. For the reasons indicated the judgment is affirmed."

### IRONSIDES TO BE A STEEPLECHASER.

Ironsides and Perseverance, bought at the Whitney sale in the paddock at Belmont Park Saturday, by J. W. Colt and Paul J. Rainey, respectively, will be both put to steeplechasing next year. Ironsides will probably be seen under the colors of his at Benning in the Washington Benning Special and the Maximum. Whether Garth will try for some of these races with the brother of Brookdale Nymph and Chilton, Mr. Rainey has

#### RESULTS OF SANADA'S RACING SEASON

#### Decided Gain Shown Over the Yield to Owners Last Year.

Last year the Canadian racing season covered 114 days at Toronto, Hamilton, Fort Erie and Windsor. By reason of the addition of the Montreal Jockey Club's new track at Blue Bonnets the quite considerable increase to 140 days took place this year, with corresponding additional gain to owners. The total money distributed last year was \$313,850, as against \$429,785 in 1907, this material gain speaking well for the prosperity of the turf across the border. It is quite probable our northern neighbors will do even better next year. The Montreal meetings of this year were largely experimental. but were so successful it is understood the club will devise more liberal stakes in the future, as it cer tainly should. The Canadian meetings of this year number of days respectively, races and results were as follows: N N ON HA D

New track records were made all along the circuit and some previously existing records tied. The records made at Montreal were necessarily first records for the horses of the future to efface. new records made by Polly Prim and Peter Sterling at Fort Erie were the most striking examples of speed. The list of new records is:

As is usually the case, J. E. Seagram heads the list of winning owners, his horses having \$75 more than they did last year. Ed Trotter ran him closely for first honors, and the Valley Farm Stable, Pasadena Stable and W. Walker were not far away in stable earnings. The ten chief winners on the circuit were these:

Owners.	1st.	2d.	3d.	Amt.
J. E. Seagram	14	8	10	\$17,880
E. Trotter		38	21	17,568
Valley Farm Stable	.21	20	14	15,460

Mrs. M. Goldblatt		16	10	8,100
A. Turney		7	11	6,637
M. Nicol		13	23	6,167

Mr. Seagram's good handicap horse, Inferno, won money than any horse on the Canadian circuit and but for falling lame would have done much better. Képie, Fantastic, Charlie Gilbert and Sea Wall all did well as money winners, but Peter Sterling, which led the Canadian horses last year, did not achieve a place among the ten best win-

ners, they being the	following:			
	1st.		3d.	Amt.
Inferno	3	.0	0	\$6,665
Kelpie	7	3	3	4,835
Fantastie	4	3	2	4,365

Jacomo	4	4	1	3,605
Charlie Eastman	9	6	6	3,555
Edgely	11	2	4	3,472

While Moreland scored the most winning mounts, Delaby made the best impression as a comer and is evidently a promising young rider. The Canadian circuit is a school from which Redfern and other good riders graduated and, unless he fails to pro gress, Delaby in time may prove equal to any of The jockeys riding twenty or more winners

#### FORTUNES MADE IN RACING HORSES.

#### Some Notable Cases Among Big Winners on American Turf.

It is a wonderful thing, the fortune of the race track. How many a horse bought for a song has won thousands. How many a one bought for a fortune has proved worthless. Here are some notable instances

Two of the most noted cases were the \$100 Morello and the \$187 Raceland. Morello, as a was bought by the Doswells, of Virginia, and at the Washington spring meeting in 1892 he showed such form that he was bought by Frank Van Ness and W. M. Singerly for \$5,000. He the Futurity under great physical disadvantage, and in 1893, as a three-year-old, was the wonder of the western turf. At Washington Park his phenomenal race in the Wheeler Handicap, when he went on after the flying Maid Marian, which covered the first mile of the mile and a quarter in 1:38% and caught her after she had at one time a lead of twenty lengths, will never be forgotten by those who saw it. Morello was a three-year-old with the physique of a four-year-old. He was never the same after a hurt he received by rearing up and falling backward in the Columbus Stakes at Chicago. He was sent to California and died a lingering death there, after two or three seasons at the stud.

Joe Ullman became the owner of Raceland for \$187, after a well-known horseman declined to buy him because of an unsound hock. He won many races, and was sold to the late August Belmon Trained by James Rowe, Raceland became one of the best campaigners on the turf, and at the death of Mr. Belmont, in 1890, the gelding was sold to M. F. Dwyer at a big price and for him won many stakes.

Luke Blackburn was bought by the Dwyers as

a two-year-old for \$2,500, and the following year he became the champion of his age. His defeat in the Coney Island Cup of 1881, won by Glenmore, is one of the sensational chapters of the Up to a short time before the race he was regarded as a certainty. There was a deal of ante-post betting in those days and James E. Kelly, a bookmaker, stood to pay out a fortune on Luke Blackburn if he won the cup. One day he was told by a "clocker" that Luke Blackburn was lame. He then sent to William Jennings, owner of Glenmore, and told him he was "on" to nothing to start Glenmore, which up that time Jennings had not decided to do, as he regarded Luke Blackburn as a certainty. But when in-formed of the latter's lameness, Jennings at once accepted Kelly's offer and Glenmore started and won. He was a cheap horse, as Jennings purchased him as a three-year-old for \$350.

Glenmore's victory yielded a net profit of \$97,000 They won \$66,000 in their to Kelly and Bliss. future book and \$36,000 on the race on their post book at the track. Out of this total of \$102,000 had to deduct only \$5,000, which they laid against nothing to induce Jennings to train and start his horse

Hamburg, sold for \$70,000 as a stallion when the estate of the late William C. Whitney was wound up, had previously been bought for \$60,000 at the sale of the Marcus Daly estate, and Mr. Daly had paid \$40,000 to John E. Madden for him. Madden paid \$1,200 for him as a yearling to C. J. Enright. When Hamburg won his first race at Gravesend, in May of 1897, he opened in the betting at 10 to 1 and was backed down to even money Sold to Marcus Daly for \$40,000, Mr. Daly declared he would retire Hamburg if he won the Brighton Cup, which he did. Tod Sloan rode.

Hermis was sold to E. R. Thomas for \$60,000 after L. V. Bell paid \$15,000 to H. M. Ziegler for him. Ziegler's trainer, Charles Hughes, had purchased Hermis as a two-year-old for \$3,300. Hermis brought ample financial returns to Mr. Thomas, as well as much glory, for he won the Suburban and Brighton Cup, besides many other races

Gold Heels showed in the Suburban and Brighton Handicaps that he could take up weight and break away with light weights and sprinters, hold his position, go to the front when called on, and stay there. Otto Wonderly, who rode him in the Suburban, enthusiastically pronounced him the fastest horse he ever rode. Gold Heels was owned as a yearling by the late W. C. Whitney, sold by him to "Dave Sloan," who received from McLewee & Co. \$7,500 for him. Gold Heels later on went through several other hands. Tom Hayes said that he was the only horse he ever had which could take up 130 pounds and run one-quarter of a mile in

Endurance by Right was purchased as a yearling by Mr. W. S. Barnes for \$1,200, and her racing qualities were leased to John W. Schorn the mare to the late Mr. Whitney for \$35,000.

Don Alonzo, purchased by M. F. Dwyer for \$30, 000 at the McLewee sale did not earn this amount for his new owner. G. W. Johnson, purchased by the late Dr. Knapp for \$17,000, was a failure in his new owner's hands. On the other hand, in the same stable, little Sir Walter, a cheap purchase, won a fortune in stakes and purses, including the Brooklyn Handicap of 1891.

Dr. Rice, bought from David Gideon for a mode rate price, much less than would have been taken but for the fact that the colt bled, won the Brook-lyn Handicap of 1894, defeating, among others, Henry of Navarre, a three-year-old. In this race Clifford was left at the post. He would have won a fortune for Leigh and Rose.

Clifford, as a two-year-old, was stolen from his Kentucky home and not discovered until months afterward. He was a high-class horse, but was affected by an attack of influenza.

Waterboy as a yearling could not elicit a bid. He was an ungainly fellow, and no horseman would take a chance with him. He was returned by J. B. Haggin, his breeder, and as a three-year-old, when being prepared for the American Derby, dislocated his pelvis. This put him in slings for three

At first it was thought necessary to destroy him, but a chance was given him and he lived to be come one of the best horses in training.

When Kinley Mack was a yearling, he ran into a barbed wire fence. It was thought he would never be a racer, but he lived to become the only horse that ever won the Brooklyn and Suburban Handicaps in the same year, 1900.

Yo Tambien was one of a job lot of horses bought Charles Smith from Theodore Winters for \$17, 000. She was a great mare and won countless western stakes.

Plaudit, raced by John E. Madden, and sold to Mr. Whitney for \$25,000, did not earn much he changed hands. Yet he was said by William Walker to be as good a colt as Himyar, his sire.

in 1903, cost \$1,600 as a yearling, was sold for \$10,000 by Julius Fleischmann to Dwyer and Deimel and afterward was valued at \$20,000.

#### SPOKANE MAY HAVE NEW TRACK.

The annually recurrent talk of a new racetrack at Spokane, Wash., is going the rounds again. more than likely that something of the kind will transpire between now and the time for holding mother meeting there, owing to the present track being located within the city limits and the attitude taken by the city council last July in passing an ordinance forbidding pool-selling. At the time was passed it was operative against the Inter state Fair Association, but was modified at a sub-sequent meeting to permit the fair association to hold their meeting in conjunction with the State Fair as announced.

This permit was granted with the understanding, it is said, that the meeting would be the last one given at the track. The meeting was such a great success that it is now considered almost a cer tainty that a new track outside of the city's juris diction will be built in the near future. The racing association has, it is said, bought a tract of land convenient to the city, on which it is proposed to build a full mile track, which will be complete in all its details and modern in its appointments, and it will be ready for use next season, when it is proposed to give a thirty-day meeting, independent of the state fair. The success of the recent meeting made it evident that racing at Spokane has got beyond the proportions of an adjunct to the fair, and it is equally certain that the fair, as such does not need the racing as an attraction, to insure its success. More than usual importance may therefore, be attached to the present talk about a prospective new track at Spokane.

#### MORE HORSES FOR MEXICO.

L. Blum, who has been buying a lot of horses it training, broodmares and stallions during the past year for some wealthy gentlemen in Mexico, just returned to Kentucky from a trip abroad. Mr. Blum speaks very highly of the racing he saw in England and France, but is of the opinion that the turfmen of Germany, Austria and Russia are considerably behind the times. He has already purchased several horses and is in the market for some broodmares in foal.

#### CASSATT PURCHASES AERONAUT.

Before George F. Johnson had much more than declared his intention of sending Aeronaut to his farm in New Jersey he accepted an offer of \$2,500 for him from Major Edward Cassatt of the United States Army. Mr. Cassatt, who is a son of the late president of the Pennsylvania Railroad, will ship the stallion to his country place at Paoli, Pa., and may decide later to gather the nucleus of a breeding establishment there.

#### JOCKEYS HANDICAPPED.

Daily Racing Form will publish from time to time a table of the rating of the jockeys riding on American tracks, based on their performances in The best riders will be given the unithe saddle. form rating of 100, and from that point the others will be graded down according to their estimated relative skill. For a difference of five points between the jockeys, three points change in the han dicap figures assigned the horses in any race must e made. Only riders frequently in the saddle will be given a place in the table. The following is the present rating:
